

Copyright Notice and Disclaimer

Three separate corporate entities operate under the name Metro Vancouver: the Greater Vancouver Regional District (GVRD); the Greater Vancouver Water District (GVWD); and the Greater Vancouver Sewerage and Drainage District (GVS&DD). As well, the Metro Vancouver Housing Corporation (MVHC) is a public housing corporation that is wholly owned by the GVRD.

Unless otherwise indicated, copyright to the written materials published on this website is owned by the GVRD. Many of the images used on this website are subject to copyright and used by the GVRD under license agreements with third parties.

Before producing or reproducing images from Metro Vancouver's website, please contact the Webmaster for information about the copyright of images on this site: webmaster@metrovancover.org

Otherwise, permission is granted to produce or reproduce the written materials published on Metro Vancouver's website, or any substantial part of such materials, for personal, non-commercial, educational and informational purposes only, provided that the copied material is not modified or altered and ownership of the material is attributed to the relevant corporate entity (i.e. the GVRD, GVWD, GVWD, GVS&DD or MVHC) operating as "Metro Vancouver". Otherwise, no part of this website may be reproduced except in accordance with the provisions of the *Copyright Act*, as amended or replaced from time to time.

While reasonable efforts are made to post accurate and up-to-date information, this website is provided "as is" without warranty of any kind, whether express or implied. All implied warranties, including, without limitation, implied warranties of merchantability and fitness for a particular purpose, are expressly disclaimed.

Our website is not an official statement of Metro Vancouver policy, practice, services, procedure or the law and should not be construed as such. This website is intended only to supply general information about Metro Vancouver. Metro Vancouver's website is also not intended to endorse or recommend any particular products, materials, processes or service providers nor is it intended as a substitute for engineering, legal or other professional advice. Such advice should be sought from qualified professionals.
